### **Directions To My Office**

My office is located on Grant Drive, which runs between Peckham & Moana. It is just south of the Moana Baseball Stadium. It is on the East side of Grant Drive. Grant Drive is parallel and between, South Virginia & Lakeside Blvd. I am about two minutes from Old Town Mall.

#### **If you are coming from the south part of town:**

When you get to the Wells Fargo Bank that is located on the corner of South Virginia and Peckham, (at Old Town Mall), turn left and go to the third street on your right, which is Grant Drive. Turn right and go half way down the block. My office building is gray with a green, door awning. My office is located in the building which is closest to the street on the North side of the building complex. The address is on the green awning. Once you enter the building, turn to your right, and my office is half way down on your left.

#### **If you are coming from the north part of town:**

You can take the 395 freeway to the Moana exit. Turn right, past the Moana Ball Field, and proceed up to Grant Drive. Grant Drive will be past South Virginia. You will turn left at the large fire station. After you turn left, the office complex is half way down the block on your left. My office building is gray with a green, door awning. My office is located in the building, which is closest to the street on the North side of the building complex. The address is on the green awning. Once you enter the building, turn to your right, and my office is half way down on your left.

If you have any questions regarding my location, please feel free to give me a call.

Sincerely,
